If the transfer would go over the credit limit on your overdraft line.
If the automated teller machine where you are making the transfer does not have enough cash.
If the system was not working properly and you knew about the breakdown when you started the transfer.

5) Error Resolution.

In case of errors or questions about your Electronic Funds Transfers, telephone us at 207-878-3441, or write to us at CFCU, 101 Gray Rd, Falmouth, Maine 04105, as soon as you can if you think your statement is wrong or you need information about a transfer listed on the statement. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

Tell us your name and account number.

Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.

Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this we will credit your account within ten (10) business days (five (5) business days for Visa Check Card purchases) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

For errors involving new accounts, point of sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

We maintain physical, electronic, and procedural safeguards that comply with Federal Regulations to guard your nonpublic personal information.

What Members Can Do to Help. Cumberland County Federal Credit Union is committed to protecting the privacy of its members. Members can help by following these simple guidelines:

ACH Funds Transfers

This section addresses Non-Consumer Accounts only.

You may desire to receive an electronic transfer of funds into your account. Such transfers may be transmitted through the Automated Clearing House (“ACH”) System. Your rights and responsibilities will be governed by Maine law, including Article 4A of the Uniform Commercial Code. Credit given by your credit union with respect to these transfers is provisional until the credit union receives final settlement through a Federal Reserve Bank or otherwise has received payment. If your credit union does not receive payment for a transfer, then the credit union is entitled to a refund from you in the amount credited to you on a provisional basis, and the originator of the transfer will not be considered to have paid the amount of the entry to your account. Your credit union is not obligated by ACH rules to provide you with notice any time that it has received a transfer and made an entry to your account unless the credit union has otherwise agreed to do so.

ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURES

NO ACCESS DEVICE

This Agreement governs Electronic Funds Transfers (EFTs) made to or from your account(s) without the use of a card, personal identification number (PIN) or other access device, such as direct deposit of your paycheck from your employer and automatic withdrawal to lenders and other creditors. Also, merchants and other payees may be authorized to electronically debit your account(s) using information you provide on or with a check or share draft. These debits are EFTs and are subject to this Agreement.

Consumer Liability. Tell us **AT ONCE** if you believe that any method of access to your account(s) has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account, plus your maximum overdraft line of credit, if applicable. If you tell us within two (2) business days after you learn of the loss or theft, you can lose no more than Fifty Dollars (\$50.00) if someone accessed your account without your permission.

If you do you **NOT** tell us within two (2) Business days after you learn of the loss or theft and we can prove that we could have stopped someone from accessing your account without your permission if you had told us, you could lose as much as five hundred dollars (\$500.00).

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason, such as a long trip or hospital stay, kept you from telling us, we will extend the time periods.

Contact in the Event of Unauthorized Transfer. If you believe that any method of access to your account(s) has been lost or stolen or that someone has transferred or may transfer money from your account(s) without your permission, call us at 207-878-3441, or write to us at CCFCU, 101 Gray Rd, Falmouth, ME 04105.

For any account in which transfer limitations apply, no more than six (6) preauthorized, automatic, telephone transfers or transfers made by check, draft, or debit card may be made from these accounts to another account of yours or to a third party in any month. If you exceed these limitations, your account may be subject to a fee or be closed.

Fees. There are no charges for EFTs or the right to make EFTs with no access device. However, a fee will be assessed for each EFT returned to the originator due to insufficient funds, account closure, etc. Refer to our Rate and Fee Schedule for current fees.

Periodic Statements. You will receive a quarterly account statement on share accounts. You will receive a monthly account statement on share accounts if any EFT or a Supervisory Committee audit occurs during that month. You will receive a monthly account statement on share draft/checking accounts.

Preauthorized Payments.

If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call us at 207-878-3441 or write to us at: CCFCU, 101 Gray Rd, Falmouth, Maine 04105, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you for each stop payment order you give in accordance with our Rate and Fee Schedule then in effect.

Membership Agreement and Disclosures

Your Credit Union. Cumberland County Federal Credit Union is unique in the financial world. It is a co-op, owned by you and your fellow members and operated in your common interest. Your credit union is non-profit and exists only to serve you, not to make money. As a credit union member, you own, operate, and control your credit union through your Board of Directors. You are entitled to elect and be elected to the volunteer Board of Directors, which is composed of your fellow members and manages the credit union based on the needs and wishes of the members. The Board of Directors sets dividend rates, loan interest rates, and fees, among other things, and also determines credit union policy such as that set forth in this Agreement. In addition, your credit union works cooperatively with Maine's other credit unions and the Maine Credit Union League, pooling resources for research and development of cost effective services which benefit not only you and your fellow members, but all credit union members in Maine.

General Terms. This Agreement contains the terms and conditions governing your membership in and accounts offered by your Credit Union. By signing your membership card and/or account agreement(s), you accept and agree to be bound by the provisions as set forth in them, this Agreement, the rate and fee disclosures applicable to your account(s) with your credit union, your credit union's charter and bylaws, and any amendments or changes in terms to any of them. The Credit Union reserves the right to change any and all terms and conditions of any of them. You will receive notice of any changes in terms in accordance with all applicable state and federal laws and regulations.

The terms and conditions as set forth in this Agreement are applicable to all types of accounts offered by your credit union. There may be different or more specific terms and conditions which apply to certain accounts. Those different or specific terms are contained in the membership card, share certificate, or other documents evidencing the account. To the extent that those documents contain different terms from, or terms that are not included in, this Agreement, the terms in those documents supersede the terms contained in this Agreement.

Privileges of Credit Union Membership. Being a credit union member carries with it many privileges, including check cashing ability; the ability to open accounts other than ordinary share accounts, such as share draft accounts; to make and receive electronic funds transfers and wire transfers; and to obtain loans and lines of credit. However, it is your credit union's policy to deny these privileges to members who cause a loss to the credit union for any reason. Therefore, if you cause a loss to your credit union, and thus to your fellow members, you will lose your privileges of credit union membership.

Account Ownership. You can structure the ownership of your account(s) at your credit union in a variety of ways. Rights and obligations relating to the account will depend on the type of ownership of the account.

- 1) **Sole Accounts.** If you are the sole owner of an account, only you can make deposits or withdrawals or otherwise have access to the funds in the account. Under Maine law upon your death, the funds in the account are distributed in accordance with the terms of your will or, if you do not leave a will, the intestacy provisions of the Probate Code.
- 2) **Joint Accounts.** Any joint owner has an equal right of access to the funds in a joint account and can withdraw all of the funds in the account at any time without permission from or notification to the other joint owner(s). At the death of one joint owner, the funds automatically belong to the surviving joint owner(s). Joint owners do not have to be credit union members. Any person named as a joint owner of your regular share account will also be a joint owner of all other accounts associated with your regular share account, such as sub-accounts, unless otherwise specified in a separate written agreement. Share draft/checking accounts, share certificate accounts, and IRAs require separate written agreements.
- 3) **Payable on Death Accounts.** Payable on death accounts belong to the person(s) listed as the owner or owners of the account during their lives. On death, the funds automatically belong to the person or persons designated as payable on death beneficiaries. Any person named as a payable on death beneficiary of your regular share account will also be a payable on death beneficiary of all other accounts associated with your regular share account, such as sub-accounts, unless otherwise specified in a separate written agreement. Share draft/checking accounts, share certificate accounts, and IRAs require separate written agreements.
- 4) **Trust Accounts.** Depending on membership eligibility, you may hold an account as Trustee for the benefit of another person or persons, or another person or persons may hold an account as Trustee for your benefit. In order to establish a Trust account, membership eligibility

requirements must be met in accordance with your credit union's charter or bylaws.

- 5) **Organizational Accounts.** The funds in an organizational account are owned by a corporation, trust (including a living trust), partnership, social club, sports team, etc. In order for the organization to be a credit union member, eligibility requirements must be met in accordance with the credit union's charter or bylaws. If the organization does not qualify for membership, it can be a joint owner of the account with an individual member.

Lien on Shares. A lien will be impressed on all of your credit union shares and share dividends in an amount equal to that which you may owe your credit union because of a loan, dues, or any other charges payable by you to your credit union. The lien may be enforced and your funds withdrawn and applied to your debt without further notice to you except where required by law, if you default in paying the amount you owe.

Account Closing. Your regular credit union share account cannot be closed until all amounts you owe your credit union are paid in full and all other accounts that you have with your credit union are closed.

Endorsements. All check/share draft endorsements must be made in the first one and one-half inches of the trailing edge of the back of the check/share draft. The trailing edge is opposite the left side of the face of the check. You will be responsible for any costs incurred by your credit union due to delays in returning checks or share drafts deposited into your account that do not comply with these endorsement standards.

Share Insurance. Funds in your accounts at your credit union are insured up to \$250,000 by the National Credit Union Administration (NCUA), an agency of the United States Government. Certain retirement accounts, such as IRAs and Keoghs, are insured separately up to \$250,000. Copies of the NCUA brochure *Your Insured Funds* are available at each branch office and main office of the Credit Union and are also available upon request.

Governing Law. The rights, duties, obligations and liabilities of you and your credit union in connection with your membership and account(s) are and shall be controlled by Maine and/or federal law as applicable and in effect at the time the rights, duties, obligations, and liabilities arise, other than as specifically set forth in this Agreement, your credit union charter and bylaws, or your specific account documentation.

Substitute Checks. You acknowledge and agree that we may refuse to pay any item, including a substitute check as that term is defined under 12 CFR Part 229.2(aaa), that we have already paid. You also agree to indemnify and hold us harmless from and against any claim for damages or breach of warranty which is asserted against us by any third party on account of any item drawn on your account or for which you receive payment.

CREDIT REPORTS AND OTHER INFORMATION You agree and consent to our obtaining information about you from third parties to assist us in fraud prevention and detection, for risk management, to comply with the USA Patriot Act and other applicable laws and for any other business purpose. This information may include consumer (credit) reports.

Regulation CC: Funds Availability Disclosures Important information on deposits, holds, and withdrawals

YOUR ABILITY TO WITHDRAW FUNDS AT YOUR CREDIT UNION

Your credit union's policy is to make funds available to you on the same business day as the business day we receive your deposit. At that time, you can withdraw the funds in cash and/or we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and state and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after hours or on a day we are closed for business, i.e. in a night depository, or if the deposit is not made in person to a credit union employee, we will consider that the deposit was made on the next business day we are open.

Longer Delays May Apply. In some cases, we will not make all of the funds that you deposit by share draft or check available to you on the same business day of your deposit. Depending on the type of share draft or check that you deposit, funds may not be available until the fifth business day after the day of your deposit. However, the first \$100 of your deposit will be available on the same business day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to a credit union employee, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a

deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- You deposit share drafts or checks totaling more than \$5,000 on any one day.
- You re-deposit a share draft or check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- We believe a share draft or check you deposit will not be paid.
- There is an emergency such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the fourth business day after the day your deposit is otherwise available for withdrawal.

Holds on Other Funds. If we cash a share draft or check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the share draft or check we cashed would have been available if you had deposited it. If we accept for deposit a share draft or check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with your credit union. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of share draft or check that you deposited.

Deposits at Automated Teller Machines. Funds from any deposits, whether cash, share drafts, or checks, made at automated teller machines (ATMs) which your credit union does not own or operate will not be available until the second business day after the day of your deposit. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

Special Rules for New Accounts. If you are a new member, the following special rules will apply during the first thirty (30) days your account is open.

Funds from electronic direct deposits to your account will be available to you on the business day we receive the deposit. Funds from deposits of cash, wire transfers and the first \$5,000 of a day's total deposit of cashier's, certified, teller's, traveler's and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the fifth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of the Credit Union's employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check or share draft deposits will be available on the fifth business day after the day of your deposit.

Consumer Liability for Electronic Funds Transfers

Tell us at once if you believe your card or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card or PIN, you can lose no more than \$50 if someone used your card or PIN without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or PIN, and we can prove we could have stopped someone from using your card or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, PIN, or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

Contact in the Event of Unauthorized Transfer. If you believe your card or PIN has been lost or stolen, call 207-878-3441, or write to: CFCU, 101 Gray Rd, Falmouth, ME 04105.

You should also call the number or write to the address above if you believe a transfer has been made using the information from your check without your permission.

Share Draft Agreement with Limited Overdraft Transfer Clause

You and any other joint owner agree that:

- a) by signing the appropriate account documentation as provided by your credit union, you authorize your credit union to establish a special share account for you to be known as a "share draft" or checking account. Your credit union is authorized to pay share drafts or checks, signed by you or any other joint owner of the account and to charge the payments against the share draft account.
- b) the credit union is under no obligation to pay a share draft or other debit item which exceeds the balance in the share draft account; the credit union may, however, up to a maximum of six (6) times per calendar month, pay such an item and charge the amount of resulting overdraft plus a service charge against any other share account from which the person who signed the share draft is entitled to withdraw shares; the credit union is under no obligation to pay a share draft on which the date is more than six months old;
- c) transactions may not be processed in the order in which they occur. The order in which transactions are received and processed may impact the total amount of fees incurred by the member.
- d) except for negligence, the credit union is not liable for any action it takes regarding the payment or non-payment of a share draft;
- e) notwithstanding Paragraph (d) above, the credit union is not liable for any loss incurred or damage sustained due to the premature payment of a post-dated share draft;
- f) any objection respecting any item shown on a monthly statement of the share draft account shall be waived unless made in writing to the credit union on or before the thirtieth day following the day the statement is mailed;
- g) all non-cash payments received on shares in the share draft account will be credited subject to final payment;
- h) the share draft account shall be subject to service charges and fees in accordance with the rate and fee schedules adopted by the credit union from time to time; and
- i) the use of the share draft account is subject to such other terms, conditions and requirements as the credit union may establish from time to time.
- j) this agreement is subject to the additional terms and conditions of any joint share account agreement that applies to a share account in the names of the joint owners of this share draft account; or, if there is no such agreement, this agreement is subject to the additional terms and conditions printed below.

Additional Terms and Conditions

(Joint Share Draft Account Agreement)

The credit union is hereby authorized to recognize any of the signatures on the share draft account documentation referenced above in the payment of funds or the transaction of any business for the Share Draft account. The joint owners of the account hereby agree with each other and with the Credit Union that all sums now paid in on shares, or previously or subsequently paid in on shares by any or all of the joint owners to their credit as joint owners, with all accumulations thereon, are and shall be owned by them jointly, with right of survivorship and be subject to the withdrawal or receipt of any of them, and payment to any of them or the survivor or survivors shall be valid and discharge the Credit Union from any liability for such payment. Any or all of the joint owners may pledge all or any part of the shares in the account as collateral security for a loan or loans. The right or authority of the credit union under this agreement may not be changed or terminated by the owners, or any of them, except by written notice to and consent of the credit union, which shall not affect transactions made prior to such notice and consent.

**Note: These Additional Terms and Conditions apply only if there is no joint share account agreement that applies to a share account in the names of the persons whose signatures are subscribed on the share draft account documentation.*

At thousands of ATMs worldwide, you can use the card to make withdrawals from your CCFCU savings and personal checking accounts. Catch the Wave to FREE ATM Withdrawals!

With your CCFCU Visa Debit Card, you become a member of the SURF Alliance – a group of Maine Credit Unions committed to a surcharge-free alternative for credit union members. With a network of more than 200 surcharge-free ATM locations throughout Maine, CCFCU members can save an average of \$300 a year in fees and not find fees hidden someplace else.

In addition, a number of CU24 SURF ATM Alliance locations give hundreds of thousands of Maine credit union members the ability to not only access cash but to also make deposits, surcharge-free.
